Stunning New Menu for The Lion Hotel

The Lion Hotel, North Adelaide is excited to announce our New Seasonal Menu in our award winning restaurant.

Executive Chef Murray Smith has created an outstanding menu that is rich with seasonal, organic produce from some of South Australia's finest suppliers. In true Lion style, we continue the tradition of showcasing the very best of what Adelaide has to offer.

Toby Kline – General Manager of The Lion Hotel, “Over the last 10 years we have consistently created some fantastic seasonal menus, but this would have to be one of my favourites.”

“To be able to tell the story of Spear Creek Dorper Lamb adds another dimension to our menu and enhances the dining experience for our customers”. “The Lambs are raised on the edge of the Flinders Ranges, grazing free range on salt bush and native grasses which means they are naturally seasoned, juicy and tender”.

“The inclusion of such unique and delicate ingredients such as prunes macerated in Valdespino Sherry have created beautiful, syrupy textures and exquisite flavours resulting in some truly amazing dishes”.

Here is a snippet from our menu to tantalize your taste buds.
